Dear Bridge House Parents

To our great disappointment Bridge House has decided not to recommend us as a supplier any longer. At this stage we have already done all the work, and have already ordered some of the books. We have thus decided to go ahead with orders on our website for 2024/2025 requirements. If you were satisfied with our services in the previous years, you are welcome to place orders with us.

ORDER SEASON FOR 2025

- The ordering season is now open.
- Orders will be executed from mid November. Notification is sent to you when the order is ready for collection.

Back Orders are reduced significantly on early orders place in October / November. It also enables us to see timeously where possible short falls might occur, and we can supplement stock accordingly.

THE BENEFITS OF AN EARLY OCTOBER / NOVEMBER ORDER:

- Learners whose orders are placed early, normally has the full order when schools re-open in January.
- Publishers / distributors do not bring overseas titles into the country in the huge quantities as before.
- Some of the publishers / suppliers already close mid December for the festive season. This delay deliveries to us significantly due to the back log they experience upon re-opening in January.
- Should there be back orders, there is normally enough time to obtain the books in time before the start of school.
