

11 October, 2021

Dear Parents

PURCHASE OF TEXTBOOKS AND STATIONERY FOR 2022

Over the past 26 years Oom Polla has proudly provided a service to local schools. Presently we have participating schools in Stellenbosch, Somerset West and Franschhoek. We have developed a system which, if used correctly by parents, makes the requisition of textbooks and stationery hassle free.

Pre-paid orders are placed electronically on our website. We urge you to place your order as early as possible in October in order to derive the best advantage from our system. Should some titles go into reprint at the publishers, the pupil's name will be high up on the waiting list. Early orders also indicate where we will have insufficient stock, and we can endeavour to replenish stock in time.

11 October – 31 October: BRIDGE HOUSE parents place their pre-paid online orders.

Orders are placed directly on the website www.oompolla.co.za

and **delivered to the school on the 30th of November.**

If there are any back orders, they will be delivered to the school as we receive them.

Should you need physical assistance in the placement of your order, or if you prefer to pay cash or with a credit card, you can visit us at:

Oom Polla se Winkel, 10 Santhagen Road, Stellenbosch

From Adam Tas Road, turn right into Devon Valley Road. The first road to your left is Santhagen Road. We are situated across the road from the parking area at the Woodmill Lifestyle Centre.

Trade Hours: Mondays – Fridays 9:00 - 16:00
Saturdays 9:00 - 12:00 (16 October – 29 January)

1 November – 9 January: Parents from all other participating schools start to place pre-paid orders on the website. This option is not recommended for Bridge House parents, but if circumstances require you to take this option, your orders will be subject to the process set out below:

These orders are executed during the December/January school holiday. We will notify you as soon as your order is ready for collection. You can collect it at a time which is convenient to you. There is an option on the order form to have your order/s delivered via a courier. Due to Covid-19 we strongly recommend this option. If you did not choose the courier option, you can collect your order/s during the school holiday (from the date we send you notification that the order is ready for collection) from our shop at 10 Santhagen Road, Stellenbosch.

10 – 16 January: NO placement of orders or over-the-counter sales during this week.

That is to allow us to execute the late pre-paid orders before we can start with over-the-counter sales.

17 January – 30 September: Over the counter sales.

Enquiries can be directed to info@oompolla.co.za

Kind Regards

The Team at Oom Polla
